

Olympia Semi Finals Here we Come

The Start of the new 2006 Dog agility season has certainly started well for some of our members.

Some of the more notable ones already are Pauline and Geordie, Mandy and Storm both of who have made the ABC Olympia semi finals in June at Tatton Park, what a fantastic result for both of these pairings

To get one dog to the semis was excellent but to get two, brilliant. Well Done both!

Not to be outdone in their achievements Lin and Tembo qualify for the CSJ final to be held later this year, do we have the winning pair in our ranks, they are going to be certainly in with a shout.

Earlier this year we had a winner at Crufts in our ranks, with Dawn and Fudge having a great show.

Neil & Bruno 2nd place yet again getting consistent now won't be long before they get that elusive win.

Blimey and the season has only just begun, what else are you all going to win this year, Barkaway are going to BE banned from the shows if you keep winning it all

The Social club is going well with events already being organised for 2006 by Ken and Dawn, and the bi-monthly award for most improved performer is a great gesture and to date has been well received what is hard from my point of view is deciding who wins it as you are all doing exceptional things already this season, keep it going, and please remember to support the people who run the social side of the club they are volunteers doing it to make Barkaway a better club and more enjoyable for you so please support them as much as possible.

The other side of the club which is perhaps not really fully appreciated is the excellent web site we now have, there is so much information on there now and all this is to again make Barkaway a better club. The web site is designed and

maintained by Neil.

The web site is so good now I know of other clubs going on just so they can get good information for their members.

To make this newsletter interesting for you I need to have the news you want put in so if you have a great result or know some one who has please let me know.

This news letter is to try and give you all the up to date information as it happens.

We now have a new puppy class running and the results so far are excellent the pups are going great, Are these the next generation of Barkaway dogs to upset the agility world? Maybe watch out for these dogs in future months.
