

## Barkaway Members clear up this summer!

It's been yet another successful summer for members of Barkaway!

We are becoming well known around the shows, for cheering loudest when one of our gang is awarded a rosette. As this is happening more and more often, there are a few of us with sore throats!

Well done to all those members who have won out this year, there are far too many to mention.

### Pembroke 2006

Pembroke Show was a particularly successful show for Barkaway members, with a phenomenal number of places and clear rounds gained.

Despite the changeable weather, everyone had a good time, even Neil, who

(Pembroke Aug 2006)

must know the way there and back in his sleep.

Everyone needs to ask Ian quite how high the water got, considering that the majority of the ladies went for a swim out to sea with the cormorants! All the dogs seemed to thoroughly enjoy the beach.

On a sad note, Chris and Nikki lost their dog Doogie during the show. No words will ever make up for their loss, but all our thoughts are with you. Another of their dogs is still very ill; I am sure Barkaway wish

him a speedy recovery.

### The Gate to Heaven?

Helena produced another amazing creation for this summer.

Ian has announced a gate competition for Pembroke next year. The rules exclude pyrotechnics and electronics, but other than that, you can let your imaginations run.

### Barkaway Bites

- Bronnie Savage qualified at Pembroke for the YKC at Crufts 2007 with Beth. Well-done Lofty!
- Lyn Cusdin has qualified for Olympia with Tembo. Good luck Lyn!
- Helena Cross has qualified (again) for the First Contact Starters Agility Final with Lily and had a Special Achievement Award presented to her at Pembroke.
- Stuart Milton moved up to Advanced with his dog Jody. Not bad, as she is only 3 years old!
- Mandy Elcock and her dogs Wilf & Storm were presented the July/Aug Progress award during our stay at Pembroke.
- Dawn Price also received an award, in recognition of all her hard work for the Social Club.
- 5<sup>TH</sup> Birthday celebrations are planned for the 21<sup>st</sup> October. Please let Dawn or Ken know as soon as possible if you wish to attend.

### Social Club News

When Saturday training starts in October, the Social Fund will be offering tea and coffee making facilities inside Ian's Shed.

They will provide all the equipment, which you are welcome to help yourself to at any time.

In return, the Social Fund suggests a donation of 20p per cup to cover the cost of supplies.

## Woof Woof!

I have only started writing the newsletter this month, so I hope you will let me know if there is anything you like or don't like. To be fair, it isn't half bad considering my paws can't type too well!

To help me on my way, I would appreciate any bits of news, or suggestions for articles to write. You can email me, or catch me on a Saturday Morning, when my pet human and I have fun at

this agility thing!

Next newsletter due out in November.

**Signed Runaway Max.**
